Language Arts Interactive Notebooks

Workshop Details:

So you know about interactive notebooks. Or you have at least heard about how great interactive notebooks can be! In this workshop we will be looking at different ways to use the ISN

(Interactive Student Notebook) in a language arts or reading classroom. We will look at the benefits of using an ISN in the language arts classroom along with ways to implement them so that your students are independent and creative thinkers and learners. This workshop is a great companion to the Interactive Notebooks with a Twist or just on its own. Either way, you will be ready to start the school year with interactive notebooks in your classroom!

Presented By: Annie Dugan
