Workshop Description:

Who doesn't enjoy a great art project? Or a little music? Research shows the integrating art in the classroom can only enhance learning. In this hands-on workshop, we will discuss the purpose of art (and other creative outlets) and the research behind incorporating these in the classroom. Participants will have plenty of time throughout the day to plan and hopefully create for their own classrooms. A day full of sharing, creating, and taking!!

Presenter: **Annie Dugan**

Annie has twenty years of classroom experience in a Language Arts and Reading classroom. Twelve of these years were spent in Haysville USD 261 at both Haysville Middle School and Haysville West Middle School as an intensive reading teacher. She has a Master's Degree from Wichita State University in Curriculum and Instruction with emphasis on reading. She has extensive hands-on experience developing and implementing reading curriculum which focus on research and best practices to maximize learning opportunities in a diverse classroom. She provides reading consulting and tutoring through her own practice, Inspired Literacy.
