Workshop Details:

During this workshop, participants will use Publisher to create documents for the classroom. We will use the pre-set to templates for items such as postcards, flyers, forms, labels, greeting cards, and many more. You will develop skills to save time, organize teaching practices, and create exciting items for your students. You will leave the workshop with several items you create to use in your classroom!

Presenter: Rachel Nally

Rachel has twenty-three years of classroom and library experience. She has taught business classes for 10 years and been a librarian for 13 years. Rachel has a Bachelor of Science in Business Education from Missouri Southern State University in Joplin, Missouri as well as a Master's of Educational Technology degree from Pittsburg State University. Rachel is active on many committees and sponsors several school activities.
