Workshop Description:

What motivates your students? Where are your students when given a choice? That's where we need to be as teachers! Want an increase in student achievement? Want to see homework turned in and students participating? Want to see students excited to learn? It's time to get connected! We will explore apps such as Remind, Instagram, Facebook, Plickers and YouTube to engage and connect with students!

Presenter: Heather Seachris

Heather currently teaches Art to 6th, 7th and 8th grade students at Haysville West Middle School.
