## Who should attend?

Anyone who wants to use the software or hardware. Even if you do not have a Mimio product yet, the software is a great instructional tool! The training agenda includes the following basic Mimio hardware & software functions:

- Navigating the Mimio Studio software tools
- Utilizing the Gallery and the Mimio Connect site
- Use the screen capture feature for making instructional movies
- Create your own dynamic lessons
- Use the Mimio tools with other software applications and web sites

## Presenter: Krista Pottier

Krista received her Bachelor of Science in Elementary Education from Emporia State University and also has a Middle Level Math endorsement. She taught math at the middle level for 12 years and is currently the Curriculum & Assessment Director for the Haysville School District. She received her Master of Science in School Leadership from Baker University and is also a Certified Trainer for Mimio.
