Description:

This blended learning course is a combination of eLearning, followed by a hands-on skills session. Prior to the class, students will be provided a link to on-line education, allowing the students to complete this portion of the course at their own pace and at their convenience. The skills session is completed in person and incorporates the online education with hands on training.

The eLearning must be completed prior to the day of class.

About the Presenters:

Beth Schutte, RN & Lesley Thomas, RN are district nurses with the Haysville School District. Together they have more than 30 years of nursing experience. Beth and Lesley are dedicated to helping you feel confident in using life saving techniques.
