Workshop Description:

This strand is designed for history/social science teachers (grades 6–12) who are interested in applying rigorous instructional strategies to prepare students for challenging honors and advanced classes. Using primary and secondary sources, participants will engage in Writing, Inquiry, Collaboration, Organization, and Reading strategies (WICOR) as tools for bringing historical inquiry into the history/social science classroom. This strand will teach, model, and coach through the elements of Cornell notes, writing with original thought, primary source analysis, document-based questions, and a range of academic language discussion group activities. This strand is organized to reinforce the strengths of vertical team articulation. Each participant will receive *The Write Path History/Social Studies: Interactive Teaching and Learning Teacher Guide*.
