Workshop Description:

One amazing thing about Google is how well it plays with others! Come take an in-depth look at various applications that will improve student engagement, test for understanding, and provide differentiated instruction all while utilizing Google Classroom.

Presented By: Amber Dougan

Amber Dougan has 10 years of classroom experience. She taught fifth grade for 9 years at Rex Elementary in Haysville before becoming Oatville's technology teacher. She has a Bachelor's of Arts in Elementary Education from Wichita State University and a Master's of Instructional Technology from Fort Hays State University. She is also a Google for Education Certified Trainer. Amber is passionate about using technology to foster student centered learning and training other teachers in effective technology integration.
