Workshop Description

Retirement is a time to kick back, relax, and reward yourself after your hard work and dedication in helping students achieve their best. Today we hope you learn how to make some long-term Chess moves 4-5 years or more before you retire that will help you have a bit more financial freedom when your time to retire happens. Today's Workshop will help participants understand how to maximize their retirement benefits to reward themselves in retirement. Participants will walk away understanding their negotiated agreement, the salary schedule, and the opportunities available to maximize their monthly pension through KPERS and other programs. The goal is set up your Chess Match to have the winning moves in understanding that decisions made today impact KPERS benefits in the future.
