WELCOME TO HAYSVILLE HIGH SCHOOL

On behalf of the staff at the Haysville High School, I would like to welcome you to a variety of educational opportunities that U.S.D. 261 has provided to its patrons. HHS is an expanding program, servicing students who may have struggled in the traditional high school setting. Students choosing to participate in one of the various programs have the support of a knowledgeable, flexible, and caring staff. Our goals are to help students develop a foundation on which to build knowledge, develop skills of use for the future, and create a desire to learn. Students are encouraged to establish goals to provide direction and motivation to stay in school and earn a high school diploma. Students come to Haysville High School for a variety of reasons and with various pasts—they should feel privileged to be given a second chance at their education. This program is an optional program and students attend as a privilege. Students who choose not to abide by the rules of this program or who do not show consistent progress toward graduation have the option of returning to their base school. We hope that we can help them make the most of the opportunities!

Mark Foster, Assistant Principal in charge of Haysville High School

HISTORY OF HAYSVILLE HIGH SCHOOL

In May, 1994, the U.S.D. 261 Superintendent and Board of Education approved the Alternative Program Plan for the 1994-1995 school year. The priority of this program was to target those students at high risk of failure and dropping out of school. What began in a single classroom housed in the Early Childhood Center; the Program was conducted by two classroom teachers instructing students in the core classes necessary to earn a G.E.D., a district high school diploma,

or a traditional high school diploma. The high school program has expanded to include twelve classrooms, a large office, a computer laboratory, and a multipurpose area—operated by ten full-time teachers, two part-time teachers, four support staff, a counselor, and a principal. The program has grown to encompass the P.A.S.S. Correspondence Program. What will the future hold? With the continued support of the District Administration, the School Board, and the community, the sky may be the limit.

U.S.D. 261 MISSION STATEMENT

- Step 1:** Interview with counseling staff and administration at Campus.
Obtain a referral.
- Step 2:** Pre-Testing at HHS (math, reading, writing, & KCP)
(Students will be required to be enrolled in tutorial classes for reading, math, and writing until they satisfy proficiency requirements.)
- Step 3:** Entrance Interview
*Student Must be Accompanied by Parent/Guardian
*Complete Student Profile
*Discuss HHS Student Expectations
*Discuss and Identify Academic, Personal, and Professional Goals
*Evaluate Transcript and Educational Options
- Step 4:** Determination of Admission
*Develop Academic Course of Study

***Student/Parent Contract**

Step 5: Determination of Schedule
Full schedule or shortened schedule with JTP for those who qualify.

Special Education

Parents/guardians of students with a current IEP need to be aware that enrollment in HHS is based on the recommendation of a team consisting of representatives from Campus High School and HHS. Currently, the team acknowledges that the role of the teacher for special needs students is a consultative role, not a pull out program. Students with an IEP will be served in the regular classroom as an interrelated program. It is assumed by their placement at HHS that they can work within the setting provided by the regular education teacher with limited accommodations made by the special needs teacher.

Transition Center

The Transition Center is a school within a school for ninth and tenth-grade students who are severely behind in credit and need a more intensive approach to recovering credit, developing organizational skills, soft skills, setting goals, and presenting information. In this one-room schoolhouse students are enrolled in smaller but traditional English 9 class with a hands-on approach to developing and improving reading and writing skills. The remainder of their day consists of utilizing Virtual Prescriptive Learning to recover credit. Students are also enrolled in Teen Leadership, a class that helps develop conflict resolution skills, organization, goal-setting, coping mechanisms and communication. Students are gradually moved over to Haysville High School as they make progress in recovering credit and demonstrate readiness through academics, behavior, and attendance.

Charter Program

The Charter Program utilizes the Virtual Prescriptive Learning Program to address the learning needs of students in transition between schools and programs. It is set up to be a school-within-a-school to serve students who have been dismissed from the regular HHS program. The goal of the Charter Program is to help reduce the dropout rate and increase the graduation rate by maintaining a connection between the school and the student on an everyday basis.

2-4 School

2-4 School exists for students dismissed from the regular day program or the Charter Program. Students in transition between Campus and HHS may also utilize 2-4 School if space is available. Students dismissed from 2-4 School may be recommended for expulsion.

Entrance Requirements

- 1. Students must meet criteria for admission as determined by the administrator (truancy, long-term suspension, failure to make academic progress, adverse life situation requiring this setting.)**
- 2. Interview with the administrator, student, and parent or guardian.**
- 3. Individual Contract (The contract will outline attendance expectations, performance expectations, and behavior expectations for students; it must be signed by parents/guardians and the student and will be enforced.)**
- 4. Students who are dismissed from HHS and recommended to the programs mentioned above will forfeit admission fees already paid and be required to pay an additional \$50.00 to gain entrance to the Charter Program. Subsequent admission fees will be \$50.00 per session.**

Transition

- 1. A transition plan will be developed to integrate the student back into Haysville High School from the Charter Program.**
- 2. Students who break their contract will be recommended for expulsion or long-term suspension and recommended to the PASS Program.**

Schedule

- 1. The Charter Program will follow the same bell schedule as HHS.**
- 2. Students in the Charter Program may have a full schedule or partial schedule depending on enrollment.**
- 3. The schedule for 2-4 School is the following:
Monday-Thursday 2:05-4:00 Fridays/Seminar Days 1:10-3:00**

- 1) Must be a junior with ten credits at the start of their junior year.**
- 2) Must be a senior with fifteen credits at the start of their senior year.**

***Students who do not meet the above criteria may enroll in JTP but must also carry a full schedule of five classes per day. Students who don't meet the above criteria must have permission from the counselor and principal to be enrolled in JTP as a fifth period class. JTP students must update their hours each Tuesday and keep on track with the curriculum or they will be required to stay for Seminar on Fridays. Please contact Mrs. Rummery if you have specific concerns.**

SCHOOL IMPROVEMENT PLAN

Haysville High School is a program of Campus High School and is part of the AdvancEd organization's school accreditation process. Student gains are measured through local, state, and national tests, as well as school activities and assessments. The areas that have been targeted for the current cycle of the AdvancEd process are: (1) Written communication across the curriculum, (2) Reading comprehension across the curriculum, and (3) Problem-Solving through basic computation and basic algebraic concepts in all curricular areas.

COURSE WORK AND GRADES

Students enrolled in the day session must earn a grade of 60% or higher in order to receive credit. Progress reports are issued after the fourth week of each session, at which time parent conferences will take place. Report cards are issued after each nine-week session. Twenty percent of each nine-week session course will be a comprehensive final exam created by the course instructor.

GRADING SCALE

A = 90% – 100%
B = 80% – 89%
C = 70% – 79%
D = 60% - 69%
F = 59% and below

Final Exams = 20% of Final Grade

ATTENTION: Students who fail more than one class after the first nine-week grading period will be required to stay for every seminar period the following nine weeks and will have an extended schedule (2:40-3:30) each day until the class(es) failed are made up via VPL or through independent study (teacher approval required). Students failing more than one class after the second, third, and fourth nine-week grading will have the option of the above consequences or will be able to complete the academic work plus ten

hours of community service over the winter break, spring break, or summer break.

MAKEUP POLICY

Students will have one day for each day absent plus one additional day to turn in all missing work without penalties.

ACTIVITIES AND ELIGIBILITY REQUIREMENTS

Students who wish to participate in athletic activities may have the opportunity to do so through Campus High School if they meet the eligibility requirements established by the Kansas State High School Activities Association.

1. Students must have been attending school in the district for 18 weeks prior to participation (unless a bona fide move).
2. Students must have passed five classes the semester prior to competition.
3. Students must currently be enrolled as a full time student.

GRADUATION REQUIREMENTS

In addition to the required course credits, students will be required to complete an Individual Plan of Study with all required artifacts in order to earn a high school diploma. The Individual Plan of Study (IPS) will be evaluated by staff and may include artifacts such as test scores for ACT/ASVAB/Work Keys/Asset/Accuplacer as well as a resume, a letter of interest, career research paper, and other components as determined by the staff. It will be a living document which may change year to year. The purpose of the Individual Plan of Study is to prompt student to prepare for the next step after high school graduation by intentionally focusing on setting post-secondary goals and completing required steps ahead of time to ensure a smooth transition to the world of work, technical school, junior college, the military or state university.

GENERAL STUDENT POLICIES

ATTENDANCE POLICY

Working together for success = daily participation at school.

- 1. The first four student absences per session will be excused provided parents call in to excuse their students within twenty-four hours. Failure to call in within twenty-four hours will result in a truancy referral. (See Parent-Student Contract).**
- 2. Students are required to have documentation for all absences beyond four per session. Undocumented absences are unverified and will count as days truant even if parents call in to excuse them. All undocumented absences and trancies will be made up in detention at a rate of one hour per block truant. Students failing to make up their time will not be allowed to return to HHS the next session.**
- 3. All absences beyond eight per session will be required to be made up in detention regardless of documentation.**
- 4. Students may be placed on contract for truancy and leaving school without permission.**

5. **Students with perfect attendance will be exempt from Community Service requirements as a reward.**

TARDY POLICY

1. **The school day begins at 7:40 a.m. with students reporting to their first class.**
2. **A student who arrives after 7:40 a.m., but before 8:00 a.m. is considered tardy.**
3. **Any student arriving after 8:00 a.m. will be counted absent and will be required to report to the office to sign in. (See Attendance Policy)**
4. **After the first tardy, students will be assigned a twenty minute detention by their teacher in lieu of five points. Students not serving the teacher assigned detention will be referred to the office for failure to serve (for each detention not served).**

NOTE: Students must have authorization from a parent or guardian to leave school early for the day. In addition, field trips are days required in school. These may include afternoons and Fridays. It is the students' responsibility to make arrangements with work, baby-sitters, etc.

COMMUNITY SERVICE

HHS partners with the community of Haysville by volunteering for Community Service Days. Each session the staff and students of HHS will devote four hours of their time to community service projects. Students who are absent from school on designated Community Service Days will volunteer four hours outside of school to one of the community service agencies in Haysville. Completion of community service is required to continue enrollment at HHS.

COMPLAINTS (BOE Policy, KN)

The board encourages all complaints regarding the district to be resolved at the lowest possible administrative level. Whenever a complaint is made directly to the board as a whole or to a board member as an individual, it will be referred to the administration for study and possible resolution.

Discrimination against any individual on the basis of race, color, national origin, sex, disability, age, or religion in the admission or access to, or treatment or employment in the district's programs and activities is prohibited. Harassment of an individual on any of these grounds is also prohibited. The director of personnel of schools, 1745 W. Grand Ave., Haysville, KS 67060, 316-554-2200 has been designated to coordinate compliance with nondiscrimination requirements contained in Title VI of the Civil Rights Act of 1964, Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and The Americans with Disabilities Act of 1990. Information concerning the provisions of these Acts, and the rights provided there under, are available from the compliance coordinator. Complaints of discrimination or discriminatory harassment by an employee should be addressed to the employee's supervisor, the building principal, or the district compliance coordinator. 22

Complaints by a student should be addressed to the building principal, another administrator, the guidance counselor, or another certified staff member.

Any school employee who receives a complaint of discrimination or harassment from a student shall inform the student of the employee's obligation to report the complaint and any proposed resolution of the complaint to the building principal. If the building principal is the alleged harasser, the complaint shall be reported to the district compliance coordinator. Complaints by any other person alleging discrimination should be addressed to the building principal or the district compliance coordinator. Complaints about discrimination, including complaints of harassment, will be resolved through the following complaint procedures:

Informal Procedures:

The building principal shall attempt to resolve complaints of discrimination or harassment in an informal manner at the building level. Any school employee who receives a complaint of discrimination harassment from a student, another employee or any other individual shall inform the individual of the employee's obligation to report the complaint and any proposed resolution of the complaint to the building principal. The building principal shall discuss the complaint with the individual to determine if it can be resolved. If the matter is resolved to the satisfaction of the individual, the building principal shall document the nature of the complaint and the proposed resolution of the complaint, and forward this record to the district compliance coordinator. Within 20 days after the complaint is resolved in this manner, the building compliance coordinator shall contact the complainant to determine if the resolution of the matter remains acceptable. If the matter is not resolved to the satisfaction of the individual in the meeting with the building compliance coordinator, or

if the individual does not believe the resolution remains acceptable, the individual may initiate a formal complaint.

Formal Complaint Procedures:

- **If the investigation results in a recommendation a formal complaint should be filed in writing and contain the name and address of the person filing the complaint. The complaint should briefly describe the alleged violation. If an individual does not wish to file a written complaint and the matter has not been adequately resolved, the building principal may initiate the complaint. Forms for filing written complaints are available in each building office and the central office.**

- **A complaint should be filed as soon as possible after the conduct occurs, but not later than 180 days after the complainant becomes aware of the alleged violation, unless the conduct forming the basis for the complaint is ongoing.**

- **If appropriate, an investigation shall follow the filing of the complaint. If the complaint is against the superintendent, the board shall appoint an investigating officer. In other instances, the investigation shall be conducted by the building principal, the compliance coordinator or another individual appointed by the board. The investigation shall be informal but thorough. All interested persons, including the complainant and the person against whom the complaint is lodged, will be afforded an opportunity to submit written or oral evidence relevant to the complaint.**

A written determination of the complaint's validity and a description of the resolution shall be issued by the investigator, and copy forwarded to the complainant no later than 30 days after the filing of the complaint that a student be suspended or expelled, procedures outlined in board policy and state law governing student suspension and expulsion will be followed.

If the investigation results in a recommendation that an employee be suspended without pay or terminated, procedures outlined in board policy, the negotiated agreement or state law will be followed.

- **Records relating to complaints filed and their resolution shall be forwarded to and maintained in a confidential manner by the district compliance coordinator.**

- **The complainant may appeal the determination of the complaint. Appeals shall be heard by the district compliance coordinator, a hearing officer appointed by the board, or by the board itself as determined by the board. The request to appeal the resolution shall be made within 20 days after the date of the written resolution of the complaint at the lower level. The appeal officer shall review the evidence gathered by the investigator and the investigator's report, and shall afford the complainant and the person against whom the complaint is filed an opportunity to submit further evidence, orally or in writing, within 10 days after the appeal is filed. The appeal officer will issue a written determination of the complaint's validity and a description of its resolution within 30 days after the appeal is filed.**

- Use of this complaint procedure is not a prerequisite to the pursuit of any other remedies including the right to file a complaint with the Office for Civil Rights of the U.S. Department of Education, the Equal Employment Opportunity Commission, or the Kansas Human Rights Commission.

DISCIPLINE

Good discipline is a by-product of good instruction. When teachers make student achievement a priority and organize the learning environment to support successful teaching and learning, discipline also benefits. Discipline is not an end in itself, but a tool to facilitate learning. A program of effective discipline builds on a program of effective instruction and classroom management. Good discipline is based on teaching and positive reinforcement of desirable behaviors.

The goals of discipline at HHS are to:

- a. Increase instances of positive behaviors
- b. Decrease instances of negative behaviors
- c. Reduce loss of instructional time
- d. Improve school climate

Point System

CLASS A	50 points & suspension for remainder of session
CLASS B	20 points
CLASS C	10 points
CLASS D	5 points

*Students placed on behavior contracts for repetitive offenses will be suspended for the remainder of the current session if the contract is violated.

POINT SYSTEM AND CONSEQUENCES

Behavior offenses will be assessed point values of five (5) to (50) points. Accumulation of discipline points will be associated with preset consequences and administered according to the total point collection.

POINTS MAY ACCUMULATE TO A MAXIMUM TOTAL OF 50 POINTS. IF A STUDENT REACHES 50 POINTS, HE/SHE MAY BE SUSPENDED FOR THE REMAINDER OF THE SESSION. STUDENTS AND PARENTS WILL BE REQUIRED TO SCHEDULE AN INTERVIEW WITH THE PRINCIPAL IN ORDER TO APPLY FOR READMISSION.

DETENTION

Students who are referred to the office will be assigned one hour of after school detention for each five points accumulated. Detentions are served from 2:40 p.m. until 3:40 p.m. in the computer laboratory. Students arriving late for detention will not be allowed to serve detention. No food or drink is allowed in the computer lab. Detention time must be used for academic purposes. Students who are disruptive, off-task, sleeping, or nonproductive will be dismissed from detention and assigned additional detention. Students who fail to show up for detention will be assigned an additional hour of detention.

All detention hours must be satisfied by the end of each nine-week grading period in order for students to be eligible to return to school in good standing for the next nine-week session. Unresolved detentions result in community service requirements at a rate of one hour of community service for each hour of unresolved detention, which will have to be satisfied before the student is eligible to return and attend classes.

Student Discipline Policies

Suspension

Students will be afforded the opportunity to complete assignments missed while serving short-term suspensions, either in or out of school. Teachers will receive a notification for homework in their mailbox the morning following suspension. Materials are needed in the office by the end of the school day, as parents have been instructed that homework will be available after 3:00.

Disciplinary Procedures

It is the philosophy of the Administration and the Board of Education of District 261 that students should conduct themselves in such a way so as to be a credit to the school and community. In order for the students to be aware of what is considered acceptable conduct, this Student Conduct code has been established in conjunction with the following quoted legislation: KSA 72-8901 - 72-8905: "Be it enacted by the legislature of the State of Kansas":

Section 1. The Board of Education of any school district may suspend or expel, or by regulation authorize any certificated employee or committee of certificated employees to suspend or expel, any pupil or student guilty of any of the following:

- A. Willful violation of any published regulation for student conduct adopted or approved by the Board of Education, or Conduct which substantially disrupts, impedes or interferes with the operation of any public school, or**
- B. Conduct which substantially impinges upon or invades the rights of others, or**
- C. Conduct which has resulted in conviction of the pupil or student of any offense specified in Chapter 21 of the Kansas Statutes Annotated or any criminal statute of the United States, or**
- D. Disobedience of an order of a teacher, peace officer, school authority, when such disobedience can reasonably be anticipated to result in disorder, disruption or interference with the operation of any public school or substantial and material impingement upon or invasion of the rights of others.**

The following disciplinary procedures are available when school policies have been violated but are not necessarily used entirely in the following sequence. Note that selected violations of the student conduct code means the student is choosing to have consequences enforced. Though there is a need for some administrative discretion, these and other disciplinary consequences are to be enforced uniformly and fairly for all. Other preset consequences could be added as necessary and a policy of progressive consequences will be enforced for those with multiple violations. All violations are subject to suspensions of one to five days depending on their severity. These procedures are based on a belief that students "can and must" control their behavior while allowing for some possible mistakes in the learning process.

Short-Term Suspension From School:

This suspension will be a one to five-day suspension from school to afford the student, parents and school the time needed to give careful study of the behavior problem.

Extended Suspension or Expulsion From School:

This suspension will be for a five to ten-day period at the end of which it will be determined if expulsion of the student will be pursued. Long-term suspensions may be for the rest of the current session.

DISCIPLINE POINT SYSTEM

CLASS A	50 points & dropped from current session
CLASS B	20 points
CLASS C	10 points
CLASS D	5 points

Offenses will be classified and discipline administered according to the nature of the offense. Accumulated points will be used in consideration of expulsions.

***Students who are dismissed from HHS may be referred to the Charter Program, 2-4 School, recommended for expulsion, or recommended to the PASS Program.**

****Students dismissed from HHS three times for disciplinary reasons may not be allowed to return HHS.**

Descriptions Of Violations

CLASS A: Extended Suspension or Expulsion from School

This class of behavior violation will result in dismissal of the student from the current session and possible expulsion for the remainder of the school year. Upon notification of suspension (and pending expulsion), the student may be instructed to leave the campus immediately, may be escorted off campus if necessary, or may be escorted to a locker/classroom to get personal belongings. If a parent cannot be reached, the student will remain in the office for the remainder of the day and will not be allowed to return pending an expulsion hearing. Academic Dishonesty: Documented student behaviors involving plagiarism, cheating, passing off the work of others as their own.

Except for security cameras, video and audio recording of staff and students is not permitted unless facilitated by the teacher for the purposes of learning as part of the class curriculum or as part of an event sponsored by the school to record such event. Students are not allowed to record fellow students or staff members on their personal devices without consent. Recording and/or posting of such images or audio to social networking websites, or sharing with outside parties in any way without the expressed written consent of all parties

involved will be considered an infraction of the **Bullying/Harassment policy** and will result in loss of personal device privileges and further disciplinary action up to and including expulsion.

Bullying: Bullying is a conscious, willful, and deliberate hostile activity intended to harm, induce fear through the threat of further aggression, and create terror. It can occur when a person or group of people, upset, or create a risk to another person's health and safety; either psychologically or physically to induce fear about property, reputation, or social acceptance. It involves an imbalance of power, intent to harm, and threat of further aggression.

Harassment: Harassment shall be considered the use of words or deeds to cause another student or group of students to feel uncomfortable. Three categories of bullying/harassment are defined:

1. **General**
 - a. Treatment of others, either in word or deed, that causes, or may be considered to cause, discomfort, embarrassment, or fear.
2. **Racial**
 - a. Treatment of a student differently on the basis of race, color, or national origin in the context of an educational program or activity without a legitimate, nondiscriminatory reason so as to interfere with or limit the ability of the student to participate in or benefit from the services, activities or privileges by the recipient.
 - b. Bullying/harassing conduct (e.g., physical, verbal, or graphic) that is sufficiently severe, pervasive, or persistent so as to interfere with or limit the ability of an individual to participate in or benefit from the services, activities or privileges provided by a recipient.
 - c. Treatment that effectively causes, encourages, accepts, tolerates or fails to correct a racially hostile environment.
3. **Sexual**
 - a. Sexual harassment is defined as "behavior expressed in words, pictures or actions that is offensive

to a person, involving issues of sexuality, that is not welcomed and may be embarrassing or uncomfortable for the victim to experience, that is one-sided, is about power, and a violation of board policy and federal law."

Incidents of bullying/harassment may have the following minimum consequences:

- 1st offense: warning, mediation**
- 2nd offense: 1-day out-of school suspension (class C)**
- 3rd offense: 3-day out-of-school suspension (class B)**
- 4th offense: 5-day out-of-school suspension with a due process hearing scheduled with recommendation for long-term suspension/expulsion (class B)**

Egregious offenses may warrant the administrator to assign a harsher consequence than the minimum prescribed above. Students may be placed on a behavior contract at the discretion of the administration.

Truancy/Leaving without permission: The student is absent without authorization from scheduled classroom placement. Once students arrive on the campus of Haysville High School (including the parking lot) they are not allowed to leave school without prior authorization from the school. Students are required to follow procedures for checking out of school. Students who leave without permission are placed on a behavior contract for the remainder of the year.

Verbal Confrontation: Verbal conflicts that are disruptive will not be permitted at school, on school grounds, on school buses, or at school sponsored activities. Drawing a crowd will be considered disruptive.

CLASS D

Cell Phones/Personal Devices: Cell phones/personal devices are not to be used during class time, assemblies, or detention. Students violating this policy will have their cell phones/devices confiscated and must have a parent retrieve it. Repeated offenses will result in increasing consequences. Students using phones/devices to harass or bully other students will be disciplined accordingly (cyber bullying may result in a police report). Failure to surrender a cell phone/device will result in loss of all cell phone/device

privileges, 25 points, 3-day suspension and a behavior contract.

Inappropriate Language: Use of inappropriate verbal and nonverbal communication on school grounds. Inappropriate communications include profanity, sexual innuendos, any display of illegal or illicit substances.

Inappropriate Use Of Computer & Internet: Inappropriate use of these technologies may result in loss of computer privileges.

Lying to Staff: Any lie told to a staff member is inappropriate.

Truancy: The student wanders into an unauthorized area of the building (ie. student was sent to the restroom and ended up in the office). Students are required to enter the building once they arrive and not allowed to leave without permission.

Vandalism/Defacing Of Property (less than \$25): Destruction of school property or property of others with replacement or repair cost of \$25 or less. The student will be expected to make restitution.

Weather Related Offenses: The student will refrain from throwing snowballs/ice, throwing other individuals into the snow/ice, shoving other individuals into water puddles/mud, or splashing others. Jumping in intentionally, followed by a request to go home, is in violation of this policy.

Other Behavior Violations

Food And Drink Violations: Food and drink in the classroom is discouraged; however, it will be allowed at teacher's discretion.

Inappropriate Dress: All clothing and adornments must be in good taste so as not to interfere with the learning process. Inappropriate clothing would be considered those items that are revealing, contain profanity or sexual connotations, or promote alcohol, drugs, tobacco, or violence. Kansas State Law requires shoes to be worn. Hats are not to be worn in the buildings.

Possession Or Use Of Personal Radios, Tape Players, Electronic Games, Etc.: Listening devices are only allowed in computer labs where permitted by a teacher or during study hall in CCR or seminar (teacher discretion). Music should not be loud enough to be heard by others. Violation of this policy will result in a failure to comply referral, confiscation of the electronic device, and parent pick-up of the device. Subsequent offenses will result in previous consequences and loss of the privilege in all classes.

Public Display of Affection: Since we are endeavoring to prepare our students for the world of work and post-secondary education to become successful adults in the world of work, inappropriate displays of affection at school including but not limited to lap sitting, inappropriate kissing, inappropriate touching, and extended hugging are not appropriate at school and may be addressed with escalating consequences up to and including suspension for extreme situations or repeated offenses.

Rowdy Behavior: Rowdy behavior shall include, but not be limited to: shoving, playing tag, throwing balls, and running in the hallways.

Use of Personal Devices, Cell Phones, Electronic games, etc.: It is the belief of HHS that electronic equipment is part of our culture and can be used to enhance learning. It is also our belief that etiquette must be taught in regard to the use of electronic equipment. Such equipment will be allowed between classes and in the commons. It is understood that use of electronic equipment is a privilege, not a right at school. Inappropriate use of any electronic equipment will result in disciplinary action. Any infractions or crimes committed through the use of electronic devices will be handled

accordingly and may include suspension and recommendation of expulsion.

Except for security cameras, video and audio recording of staff and students is not permitted unless facilitated by the teacher for the purposes of learning as part of the class curriculum or as part of an event sponsored by the school to record such event. Devices dedicated to recording audio and video such as cameras on eyeglasses, pens, lapels, and buttons or any other hidden devices which secretly record are not permitted and will be confiscated. Students are not allowed to record fellow students or staff members on their personal devices without consent. Recording and/or posting of such images or audio to social networking websites, or sharing with outside parties in any way without the expressed written consent of all parties involved will be considered an infraction of the Bullying/Harassment policy and will result in loss of personal device privileges and further disciplinary action up to and including expulsion

SEARCHES OF STUDENTS / POSSESSIONS

A search of any student or their possessions may occur at any time upon reasonable suspicion that such search may result in the finding of firearms, explosives, liquor, flammable materials, weapons, narcotics, or other matter prohibited by law or school policy from being on school property. Such searches may be made without prior notice to the student and only conducted by the principal or designated representative.

An attempt shall be made to notify the parent or guardian of the student, when under 18 years of age, so they may be afforded the opportunity to be present during such a search. Any evidence recovered by the principal and/or designated representative will be turned over to the appropriate law enforcement authorities.

Documentation of such search and/or seizure will be submitted to the Superintendent and placed in the student's file. Searches are not done randomly and without substance of concern. It is only when the well being of the students and/or staff are compromised that a search may take place.

HEALTH AND MEDICATIONS

All students under 18 years of age are required to have current shot records on file before starting school. Students that take daily medications must have a note from parent/guardian and/or doctor giving permission and instructions for dosage. Medications must be in the original container with the student's name on the label and left in the office. A student will risk expulsion from school for carrying medication without the proper written authorization.

DRESS CODE

The dress code is based on the safety of the students, normal physical hygiene, and non-disruption of the school day. Students who repeatedly come to school dressed inappropriately may be sent home and assigned detention to make up the time missed.

- 1. Clothing and adornments should not interfere with the learning process.**
- 2. No short shorts, revealing clothing, no references to sex, alcohol, drugs, tobacco, gangs, or profanity. No spaghetti straps or midriff blouses.**
- 3. No hats, do-rags, sunglasses, hoods, or bandanas.**
- 4. Other questionable types of dress will be subject to staff approval.**
- 5. No trenchcoats.**

Students must use appropriate language in all messages. Students are expected to use the system following guidelines approved by teachers or the administration.

Any e-mail or computer application or information in district computers or computer systems is subject to monitoring by the staff and/or administration. The school retains the right to duplicate any information created by students in a computer system or on any individual computer. Students who violate these rules, or any other classroom rules relating to computer use are subject to disciplinary action up to and including expulsion from school.

The USD 261 Haysville Public School district complies with federal and state Children's Internet Protection Act (CIPA) laws and promotes Internet safety for all students through a curriculum that addresses cyber bullying and appropriate interaction with other individuals on social networking websites and chat rooms. It is the responsibility of all members of the USD 261 Haysville Public school staff to educate, supervise and monitor appropriate usage of the online computer network and access to the Internet in accordance with the CIPA laws.

Personally owned Internet devices such as, smart phones, laptops, and tablets may be used by staff and students during the school day as approved by administration and in accordance with the Haysville USD 261 Board of Education

Internet and Computer Use policies. Students who do not have access to a personal device to use as part of an instructional program or lesson will not be penalized and alternate modes of participation will be available.

TUITION & FEES

Tuition fees are \$55 per session. A one-time fee of \$20.00 is charged to cover the costs of Student ID & Student Handbook/Planner (Lanyard and Thumb Drive included). Replacement costs are \$5.00 for an ID and \$7.50 each for a Handbook or Lanyard/Thumb Drive. Parking permits are \$5.00 each.

P.A.S.S. STUDENTS

**Fees are \$70 per ½ credit.

LUNCHES

The Haysville High School campus is closed for lunch. A closed lunch period means no students leave the premises at lunch and no visitors are allowed. Students may purchase a lunch at the district price or may bring a lunch from home. Students are not allowed to have friends or relatives pick up fast food and drop it off at school. The only way a student may leave during lunch or at any other time during the school day is to have a parent/guardian sign them out. Parents and students can check on account balances through Power School. All students must have identification cards in order to get lunch.

TELEPHONE USE

A parent or guardian may call to the office to leave a message for their son or daughter. However, the phone in the office is not to be used by students without prior permission of the office staff. Students may be given permission to use the phone (in case of an emergency). All student calls will be monitored and limited to 2 minutes.

PARKING PRIVILEGES

- 1. Students must purchase a parking permit in order to park in the parking lot. Parking permits are \$5.00 per vehicle and must be displayed in the window of the vehicle.**
- 2. Students are required to have a valid driver's license and automobile insurance.**
- 3. Students may lose their parking privileges for driving at excessive speed, careless or reckless driving, playing their music too loud, etc.**

SEMINAR

Seminar is a great concept which allows students who need additional help to go to their teacher during the academic day to get additional instruction on a one-on-one basis. Seminar for many students is also an opportunity to build a stronger relationship with their teacher. This opportunity for teachers to mentor their students is crucial for students at Haysville High School.

During seminar, students will be assigned a homeroom. Roll will be taken and students will then be allowed to travel to teachers to get help in the areas they need it. Students who are passing all of their classes with a 70% or higher, have no makeup work or tests to take care of will, on the Thursday before, have a progress report signed that will allow them to be dismissed from seminar period on the following day. Students will also have to get parental permission in order to be dismissed from seminar. Students that leave without permission, or without going through the proper steps will be held accountable as per the student discipline policy. This will require students who need additional help to remain on Friday afternoons to work with their teachers and it will encourage all students to try harder as well. Parents who do not want their students dismissed on Fridays can opt to keep them at school for seminar.

Seminar Rules

Students may use seminar to...

- ...study for upcoming tests.**
- ...get extra help.**
- ...makeup missing homework, tests, quizzes.**
- ...work on projects**

Once your work is made up you may...

- ...study for other classes.**
- ...read silently (books & acceptable magazines).**
- ...do homework.**

Students may not...

- ...lay or sit on the floor.**
- ...work out in the hall or cafeteria.**
- ...sleep during seminar.**
- ...visit with other students.**
- ...pass, write, or read notes.**
- ...disrupt seminar.**
- ...play games; watch TV; use their cell phones.**

Seminar Procedures

- 1. Seminar folders are contained within the Student Agenda.**
- 2. Each teacher will complete the progress report for each student during each class on Thursday. Teachers are to keep grades current so parents and students have an accurate picture of academic progress. Grade, percentage, missing assignments/tests, permission to miss or request to stay, and teacher signature must be provided.**
- 3. Students take Student Agendas home for parents to sign their progress report.**
- 4. All students (except JTP students with a shortened schedule) must report to seminar after lunch on Fridays. Eligible students will be dismissed.**
- 5. Students who remain must use their agenda to travel to their teachers. Students that misuse their agenda will be subject to disciplinary action.**
- 6. Students required to stay for seminar must stay for the entire seminar period. Students called out by parents will be required to makeup time in detention the following week.**
- 7. Students who do not have a parent permission slip signed for dismissal or parent signature on the progress report will not be dismissed.**
- 8. There will be a \$7.50 replacement fee for all agendas.**

***Students without a full schedule may be released after their last hour on Friday, after being cleared by Mrs. Rummery and Mr. Foster, if they meet the following criteria:**

- A. They have a 70% or better in all classes, no missing assignments or tests.**
- B. They have completed all of their JTP requirements.**
- C. They have followed seminar procedures.**

****JTP students may be required to stay until 2:40 p.m. on Fridays. JTP students may be removed from JTP for failure to maintain good academic standing**

***All students who have not completed KCP will stay for seminar!**
