

WEEK ONE:	Tuesday, June 20	Wednesday, June 21	Thursday, June 22
<p data-bbox="180 134 554 224">8:30 – 11:30 <u>Morning Sessions:</u></p>  <p data-bbox="94 483 625 776">Summer Tech Camp 2017</p>	<p data-bbox="674 134 877 191">○ POW TOONS <i>Carrie Thrash</i></p> <p data-bbox="674 199 1119 418">PowToon is a do-it-yourself animated presentation tool that supercharges your presentations and videos! Not creatively inclined? No problem! PowToon has a number of ready-made PowToons that you can make your own with simple customizations. This cloud based program will save you massive amounts of time and bring the WOW factor into your work!</p> <p data-bbox="674 443 1083 508">○ SCREENCAST-O-MATIC & JING <i>Jeff Maxwell</i></p> <p data-bbox="674 516 1119 711">Do you need an easy, interactive, and FREE way to communicate with students or colleagues? Jing and Screencast-O-Matic are two interactive tools that will make electronic communication fun and engaging. This workshop will assist you in the basics of recording videos, creating screenshots, and distributing content.</p>	<p data-bbox="1123 134 1360 191">○ SYMBALOO <i>Natalie Johnson</i></p> <p data-bbox="1123 199 1623 418">How do you keep up with your favorite websites? Symbaloo EDU is a free, visual bookmarking website that allows users to organize and share their online resources. Learn how to use Symbaloo as an instructional tool and a student resource tool. Discover how to create webmixes. See how I change Symbaloo to match what I am teaching in my technology lab. Learn how to have links that are "hidden" for ease of use.</p> <p data-bbox="1123 443 1507 540">○ MARKET YOUR CLASSROOM WITH TWITTER <i>Stephanie High</i></p> <p data-bbox="1123 548 1623 768">Participants will learn how to utilize Twitter in their classrooms...from engaging parents with the events of the school day and by interacting with classrooms all over the world. We will spend our day learning the basics of Twitter and how to get students engaged with your classroom Twitter page. We will also participate in a Twitter chat and learn ways to grow our professional learning network.</p>	<p data-bbox="1627 134 1934 191">○ GOOGLE CLASSROOM <i>Mark Kane</i></p> <p data-bbox="1627 199 2053 321">Learn about the District Google Accounts and Google Classroom, Google's digital platform for easily sharing information and assignments between teachers and their students.</p> <p data-bbox="1627 467 1906 524">○ PRINT SHOP BASICS <i>Bob Diasio</i></p> <p data-bbox="1627 532 2053 727">How would you like one less thing on your "to do" list? Let us take care of printing your copies! This workshop will cover how to submit an online print job request using TRAC, how to use Follow Me Printing and how to scan items for a variety of uses. Other services provided by the USD 261 Print Shop will be explored.</p>
<p data-bbox="153 849 579 938">12:30 – 3:30 <u>Afternoon Sessions:</u></p>  <p data-bbox="123 1141 548 1230">150 Stewart Haysville, KS 67060 Penny Schuckman, Director</p> <p data-bbox="153 1255 579 1312"><u>Website:</u> http://usd261.com/learningcenter</p> <p data-bbox="94 1336 638 1401"><u>E-Mail:</u> pschuckman@usd261.com <u>Phone:</u> (316) 554-2331; <u>Fax:</u> (316) 554-2342</p> <p data-bbox="216 1425 527 1515"><u>Register on our website</u> <u>Or e-mail registration to:</u> dlewis@usd261.com</p>	<p data-bbox="674 800 1108 898">○ ENHANCING YOUR CLASSROOM WITH FACEBOOK <i>Kasahra Cotton</i></p> <p data-bbox="674 906 1119 1068">Facebook is a great communication tool to help keep your parents up to date on what is happening in the classroom. In this class you will learn how to set up an account, about privacy settings, ways to post, things to post, and how to receive release forms from your parents.</p> <p data-bbox="674 1149 1016 1247">○ GETTING STARTED WITH ONENOTE <i>Lisa Cundiff</i></p> <p data-bbox="674 1255 1119 1450">Microsoft OneNote provides a great way to stay organized in the form of an electronic version of a tabbed ring-binder, into which the user can directly make or add notes and gather a variety of content from other applications. Use OneNote to collect, organize, and share information that can be accessed from anywhere on any device.</p>	<p data-bbox="1123 800 1503 865">○ SNAP CIRCUITS & OZOBOTS <i>Sandee Belden</i></p> <p data-bbox="1123 873 1623 1109">Learn how to use STEAM and STEM (Science Technology Engineering and Math) activities with OZOBOTS and SNAP CIRCUITS. Play, explore, and problem solve. You will find some great lessons to use with your students in all settings/courses. SnapCircuits have projects that allow students to understand circuitry. These mini robots obey color codes or BLOCKLY program coding. Please bring your own tablet or one will be provided.</p> <p data-bbox="1123 1166 1507 1263">○ USING KINDLE FIRES IN THE CLASSROOM <i>Lisa Cundiff</i></p> <p data-bbox="1123 1271 1623 1531">Kindle Fire tablets are great student devices because they can be easily managed, have reliable hardware, offer a variety of apps and are affordable. In USD 261, we have deployed Kindle Fire HD tablets at various grade levels in the district and have plans to add more for student use, especially at the elementary level. This session is not only for those who already have Kindles, but also for anyone who wants to know more about how these devices can be used to enhance classroom instruction.</p>	<p data-bbox="1627 800 2011 898">○ MARKET YOUR CLASSROOM WITH INSTAGRAM <i>Heather Seachris</i></p> <p data-bbox="1627 906 2053 1027">Who wants to be INSTA-FAMOUS? In my class, that's what we call a student getting the PRIVILEGE of being on our class Instagram! Learn new ways to promote your class and engage your students!</p> <p data-bbox="1627 1076 2011 1166">○ POWER TEACHER PRO: TAKING IT TO THE WEB JAVA FREE <i>Keven McDonald</i></p> <p data-bbox="1627 1174 2053 1466">Welcome to the NEWEST web based PowerTeacher Gradebook! It is a full-featured grade keeping application used to enter scores, record, report, and monitor student performance. It links the teacher, student, parent, and office to impact a student's education. This newest system takes what has been on one page, and now adds PowerTeacher Pro, making it easier for a teacher to put in grades, print reports, take attendance, and more. And now Java Free!</p>

WEEK TWO:	Tuesday, June 27	Wednesday, June 28	Thursday, June 29
<p data-bbox="184 172 554 256">8:30 – 11:30 Morning Sessions:</p>  <p data-bbox="96 521 606 813">Summer Tech Camp 2017</p>	<p data-bbox="680 172 1024 264">CHROMETASTIC APPS, EXTENSIONS & ADD-ONS! <i>Marcia Hersh</i></p> <p data-bbox="680 272 1113 513">This session is for Chrome-loving teachers who are looking for time-savers, organizational tools, and easy ways to work smarter, rather than harder. Come check out a variety of Chrome apps, extensions and add-ons to enhance teaching and learning. You will be amazed at the number of free resources available to you and your students. Be ready to up your teaching game when you attend this Chrometastic session!</p> <p data-bbox="680 591 1096 651">DIGITAL INTERACTIVE NOTEBOOKS <i>Annie Dugan</i></p> <p data-bbox="680 659 1113 850">Have you always thought that Interactive Notebooks sound like a great idea but all that cutting, coloring and gluing just isn't your thing? Maybe you are trying to have a paperless classroom. Whatever your reasons may be, come to this session to learn more about Interactive Notebooks and how to make this digital instead of "paper and pencil".</p>	<p data-bbox="1134 172 1486 264">WINDOW DEVICES IN THE CLASSROOM <i>Mark Kane</i></p> <p data-bbox="1134 272 1612 415">This session will focus on learning new techniques and features to enhance student productivity on Windows devices including laptops, desktops, and Surface and HP tablets. USD 261 educators can bring their laptops, and Windows 10 student laptops will be available.</p> <p data-bbox="1134 505 1423 565">FLIPPED CLASSROOM <i>Annie Dugan</i></p> <p data-bbox="1134 597 1612 837">Ever spend a whole class teaching a concept only to realize after the "homework" that not all your students got it? Or what about wanting to use a great PowerPoint that involves all your students? A Flipped Classroom might be your answer! A Flipped Classroom allows teachers and students to use their time most effectively. Students learn the basics of a concept or skill on their own through digital, teacher created materials allowing more time for practice work during class time.</p>	<p data-bbox="1635 172 1839 232">MIMIO PART 1 <i>Krista Pottier</i></p> <p data-bbox="1635 240 2045 545">Who should attend? Anyone who wants to use the software or hardware. Even if you do not have a Mimio product yet, the software is a great instructional tool! The training agenda includes using the basic Mimio hardware & software functions, navigating the Mimio Studio software tools, utilizing the Gallery and the Mimio Connect site, using the screen capture feature for making instructional movies, creating your own dynamic lessons, and using the Mimio tools with other software applications and web sites.</p> <p data-bbox="1635 553 1766 613">WEEBLY <i>Evie Unrein</i></p> <p data-bbox="1635 621 2045 886">Are you interested in setting up your own classroom website? Weebly can make it simple, free, and fun. We will spend our time looking at the page I made using Weebly (www.k5computers.weebly.com), discussing how to create and update your own page, and creating a page of your own. We learn best through doing not just listening, and this session will provide assisted work time for you to learn the ins and outs of Weebly.</p>
<p data-bbox="155 898 579 987">12:30 – 3:30 Afternoon Sessions:</p> <p data-bbox="107 1027 630 1162">*You can earn 1 Graduate Credit from Baker University for \$75 for attending any combination of four half-day sessions!*</p> <p data-bbox="90 1222 646 1325">*You can also combine any two half-day sessions with a full day workshop for 1 Graduate Credit!*</p> <p data-bbox="128 1385 604 1487">*FREE for all USD 261 Employees! Out of District - \$50 per class & \$5 off each additional session!</p>	<p data-bbox="680 898 1052 995">CAPTURE THEIR ATTENTION WITH VIDEO <i>Marcia Hersh</i></p> <p data-bbox="680 1003 1113 1219">Looking for ways to engage your students? In this hands-on session you will learn how to incorporate video in the classroom by exploring a number of free resources for finding, creating and using videos as a lesson to capture students' attention. From jazzing up a boring PowerPoint presentation to creating easy flipped lessons, come to this session to add to your bag of tricks!</p> <p data-bbox="680 1243 909 1308">PLICKERS <i>Heather Seachris</i></p> <p data-bbox="680 1317 1113 1508">Tired of grading papers? Do you want better data for your students? Are you looking for a fun new approach to testing? How about a new way to engage your students? If you answered yes, Plickers is for you! Never grade those tests again! Best yet, your students will actually ENJOY your assessments!</p>	<p data-bbox="1134 898 1409 959">PHOTOSTORY <i>Charlotte Brickman</i></p> <p data-bbox="1134 967 1612 1110">This tool is a great way for your students to present material in a way that doesn't require them to "get the jitters" in front of the whole class. Learn how to create an animated presentation with pictures, voice overs, type and music that will have your students jumping right in!</p> <p data-bbox="1134 1235 1518 1338">WINDOWS 10 & OFFICE 2016 TIPS & TRICKS <i>Mark Kane</i></p> <p data-bbox="1134 1346 1612 1438">Learn both new and existing shortcuts, features, and tasks that you can utilize to increase your productivity and enhance your skill level in these applications.</p>	<p data-bbox="1635 898 1848 959">MIMIO PART 2 <i>Krista Pottier</i></p> <p data-bbox="1635 967 2045 1032">We will continue to build on the concepts covered in the morning session and take our Mimio skills to the next level!</p> <p data-bbox="1635 1195 1827 1260">GRADECAM <i>Casey Meier</i></p> <p data-bbox="1635 1268 2045 1484">GradeCam is a software application that grades multiple-choice tests & performs a multitude of other data collection & data analysis tasks for improving student learning & managing student paperwork. As if by magic you simply hold up the Gradecam form to your webcam & it scans it. Best of all it's free for any 10 question (or less) assessment!</p>
