Reminders and Notes

- Please turn in money and information page for Tanganyika by Monday, April 16th.
- Do not forget to plan a sack lunch for your student(s) on our field trip day.
- We are also working on how to treat others at school. Some of the ways we solve problems is by telling the other person how we feel or walking away. Continue to talk with your child/children about how to treat others when there is a disagreement.
- It is still chilly outside and our recess is early, please keep sending a jacket to school with your child.
- Remember to wear tennis shoes for PE.
