

# Snapshots of 4<sup>th</sup> Grade

September 2018

## What We're Learning

**Math**- Students will be working on place value, rounding, and estimating strategies.

**Science**- Students are digging into Mystery Science and learning about rocks.

**SS**- Students are learning how our land came to be Kansas.

**Reading**- Students are working on reading comprehension and how to use text to find their answers while working through the Wonders curriculum. Their theme is "Making Predictions".

## Important Dates

**9/3 Labor Day-No School**

**9/27 All Star Bash**

**TBD: Field Trip at the end of the month**

## Notes from the Teacher:

Students are able to bring water bottles to keep at their desk throughout the day. Also, if you have not already, please make sure to sign up for Class DOJO!

## Weekly Homework

Any work not completed throughout the day will be sent home to finish as well as 15-20 minutes of reading every night. Also, please have them read aloud to practice fluency.
