FROM THE TEAM

We have been super busy with mastering our 2nd grade phonics skills. We will continue to practice all previous skills as well as begin our focus on Reading Fluency. At "Teacher Table" time we are focusing on reading comprehension.

With nicer weather approaching, please remind your student to continue to give 100% effort throughout the end of the school year. We still have a lot of learning to do! 😊

Thanks for your continued support!

From the 2nd Grade Team,
Mrs. High, Miss DeCamp,
Miss Whaley & Mrs. Eskandarion

THINGS TO PRACTICE AT HOME

- Fluency! Practice reading aloud at home using a good pace, reading smoothly, with expression, and at a conversational rate. Try having the students record themselves reading using an app on your phone and then having them listen back and discuss together what went well and what they could improve on.
- Multi-digit Addition with and without regrouping. We are beginning 2-Digit Subtraction with borrowing. This is often a tricky Math skill to master!
