

April News

3rd Grade News

State Assessments

Math assessments will be April 6th-11th. Make sure your child is well rested and eats a good breakfast!

Math

In Unit 9 we are learning how to multiply multi-digit numbers. We will be introducing the lattice method. This method is a great way to review place value and multiplication. You can 'google' lattice to help your child succeed 😊

Upcoming Events

April 6-11th- Math Assessments
April 14- No School
April 17- No School
April 20- Earth Day Zoo Field Trip
