## 2<sup>nd</sup> Grade News

### FROM THE TEAM

Thank you for a great turnout at our Fall Parent/Teacher Conferences! We will not formally meet again until the February conferences-so if you have any questions/concerns or would like updated on their progress, please do not hesitate to contact us. We appreciate all you do to help support your child.

Our students are doing a great job at reading for 20 minutes each night (sight words are great to practice during this time too!). Students have a ZPD of books at their level. If you are unsure of the book level of any book your child is reading- head to [www.arbookfind.com](http://www.arbookfind.com) to see if it is "just right" to read at home!

Happy Thanksgiving!

From the 2<sup>nd</sup> Grade Team,  
Mrs. High, Miss DeCamp,  
Miss Whaley & Mrs. Eskandarion

### THINGS TO PRACTICE AT HOME

- Math Fact Tents will be coming home throughout the year. Have your students show you how we use this in class. Remember that these facts should be solved without fingers.
- Our winter Fluency testing will be here before we know it. Practice reading out loud at night and practice reading with expression, at a good pace, smoothly, and with good phrasing.
