Director**

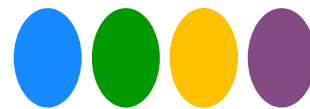

**Description:**

Have you ever wanted to make a website for your class, but the thought of creating a website sounded too overwhelming? Google Sites to the rescue! Google Sites is super easy and quick to use. Plus, all of the Google tools integrate seamlessly! In this half-day workshop, you will learn the basics of creating with Google Sites, then you will have time to create!

**Presenter: Amber Dougan**

Amber Dougan has 10 years of classroom experience. She taught fifth grade for 9 years at Rex Elementary in Haysville before becoming Oatville's technology teacher. She has a Bachelor's of Arts in Elementary Education from Wichita State University and a Master's of Instructional Technology from Fort Hays State University. She is also a Google for Education Certified Trainer. Amber is passionate about using technology to foster student centered learning and training other teachers in effective technology integration.
