# Fourth Grade News

Issue 6

May 2, 2012

## Weather:

**National Severe Weather Week** gave Prairie an opportunity to practice tornado safety procedures. Take the time as a family to review your severe storm procedures at home.

## Dates to remember:

- May 4th—Field Day
- May 9th—Wingnuts Baseball game
- May 18th—Staff vs. 5th grade Kickball game
- May 21st—Talent Show
- May 22nd—Last day of school

## Wingnuts Baseball Game

Wow, the teachers here at Prairie could not be happier with the success of our students for State Assessments!

The kids did a great job at showing their pride!

As a reward, the 3rd-5th graders will be going to a Wingnuts Baseball game on Wednesday May 9th. Please be looking for flyers coming home about bus cost and sack lunches. We will be happy to make a lunch here at school, which will be the same price as the usual lunch fee.

Way to hit it out of the park  
Prairie Bulldogs!

## **\*\*\*PENCILS\*\*\***

Please re-stock your student's supplies of pencils....we are out!

## **HOMWORK!!**

**\*Keep reading every night for 20 minutes.**

**\*Please check your student's agenda every evening. We are winding down to the end of the year when grades on homework is still very important to show all that your student knows.**

"The beautiful thing about learning is that no one can take it away from you."

~ B.B.King

## Upcoming skills:

Math: Fractions

Science: finishing up science curriculum

Social Studies: Regions; states and capitals

Reading: Book Projects; Reader's Theater
