## Kansas State Fair

Our first field trip is scheduled for Monday September 10th. The fourth graders are headed to the State Fair for some down-home education. All students will need to bring a lunch and \$1 for admission. We are going on the Fair's Dollar Day, saving some money. Yay!

A form will be going home next week explaining details and permissions needed.

## Teacher spotlight:

Ms. Westfall--I have been in the teaching world for 15 years. My fiancée and I have known each other since 7th grade and have been together for over 5 years. I have two daughters, Emily and Kaylie. I love to spend time outside with my bassett hound Flash, or watching Emily play softball.
